About This Game

A shooting game, in which the hero is taken from the modern world and flung into a fantasy world. Use weapons such as assault rifles and magic. By skillfully avoiding magic attacks by monsters using good timing, you can absorb their power. Magic attacks utilizing these powers are extremely powerful. The key to conquering this game is to be able to properly use the 3 different properties of fire, ice, and lightning. Vanquish the oncoming hordes of monsters and venture into the farthest reaches of the ancient ruins!

Features

- A shooting game which requires players to learn how to properly use both guns (assault rifles) and magic.
- By using good timing to avoid your enemy's magic attacks, you can absorb their power.
- Store your absorbed magical powers to fire a powerful magic attack.
- By breaking crystals you find along the road, you can absorb magic, or restore your health.
- When you clear the regular stage, you will move on to the Boss stage, where you must battle the Boss monster.
