The screenshot shows a web browser window titled "Autodesk Licensing - Activating". The main content area displays the Autodesk logo and the heading "Product Registration & Activation". Below this, there is a message: "Thank you for purchasing an Autodesk product. The next pages will guide you through registration and activation of your product." A help icon is present. The main instruction is "Enter Product Serial Number." followed by an error message: "The serial number you entered is not valid. It either is not an Autodesk Serial Number or it has been compromised." A text input field contains the serial number "667-98989898". Below the input field, there is a recommendation: "To ensure you get an authentic Autodesk license, we recommend you buy only from an [Authorized Autodesk Reseller](#) or directly from our [Autodesk Store](#)." A further note states: "If you made your purchase from somewhere else, we suggest you request a refund and return the product. You can also report the issue in our [anonymous License Compliance](#) form." At the bottom right of the main content area are "Close" and "Next >>" buttons. A "Virtual Agent" button is also visible. A footer contains the copyright notice: "© Copyright 2015 Autodesk, Inc. All rights reserved. [Legal Notices & Trademark](#) - [Privacy Policy](#)".

Overlaid on the right side of the browser window is a smaller, dark-themed window titled "Autodesk 2014 products". This window features the "X-FORCE" logo at the top, followed by the text "Autodesk 2014 products". It contains two input fields: "Request:" with the placeholder "Paste Request here" and "Activation:" with the placeholder "And press Generate". Below these fields are three buttons: "Patch", "Generate", and "Quit". At the bottom of this window is a banner that reads "SMOKING THE COMPETITION!".
